

Marina Talk

WE ARE OPEN

HARDSTAND BACK IN OPERATION

We are currently taking bookings so get in quick if you would like to anti-foul your vessels.

ARE YOU COMING TO THE MARINA?

We are up and running but we have some strict rules in place to make this possible. A record of all personnel on site is required. A tracing register has been set up for this purpose in the building opposite the main office, complete with hand gel and pens. If you are entering the marina we need you to please sign in and sign out.

The gates into the marina will remain locked until further notice. Please be mindful of social-distancing rules while in the marina.

Or while your boat is idle take the opportunity to arrange a lift and hold for a water blast.

Please give us a call and we can book it in for you.

INSURANCE UNDER LEVEL 3&2

If you are thinking of pulling your boat out for repair and maintenance; prior to moving your boat, please confirm with your insurance company that you are covered under level 3 and level 2. Please let us know that you have done this.

Some insurance companies have different policies so we want to ensure all parties are covered.

Golden rules for everybody

Stay home.

Work and learn from home if you can.

Keep your bubble as small as possible.

Stay regional.

Make your business COVID-19 safe.

If you are sick, stay at home. Quickly seek advice from your GP or Healthline about getting a test.

Wash your hands often with soap. Then dry them.

COVID-19 Alert Level 3

Office can be contacted Monday - Friday 8:00am - 4:00pm

FUEL DOCK UPGRADE

The Whitianga Marina Committee decided unanimously at a recent tele-conference meeting that the fuel dock up-grade will be postponed until May 2021.

With such times like this, it was the only sensible decision to make. We will keep everyone informed during the year and as soon as we think it is appropriate to pull the trigger on the upgrade re-start everyone will be notified.

PAYMENTS

Payments to the Marina during the lockdown period will need to be made electronically or via credit card. Please call the office to arrange this. All invoices at this stage will be sent out via email. The normal payment rules apply with payment being required before the vessel is re-launched .

NO CASH - NO SPLASH.

We hope we can all work together on this to get through to the other side soon and back to our normal running. At this stage we can only take this day by day.

We the staff at the Whitianga Marina wish everyone to keep safe and look forward to hearing from you soon.

DAVE MUNDAY
Marina Manager

REBECCA WALKER
Office Administrator

CARO BUTLER
Receptionist

GRAHAM MUNDELL
Yard Manager / Travel Lift

Operator

**Boat ramp
remains closed
during level 3
lockdown.**

**We do not
know how long
we will have to
do this for so
please help us
all stay healthy.**

FUEL PRICES

Our Fuel prices for diesel have come down a lot and at the moment our pump price is \$1.03 so it might be a good time to top those fuel tanks up for winter as we do not know how long these great prices will last for.
